

# MiSTER LADY

TECHNO DJ and PRODUCER

## BIO

Jacqueline King, aka Mister Lady, is a DJ and music producer who is on a mission to get people moving. Specializing in Techno, Melodic Techno, Hard Techno and Electronica, Mister Lady was born in Chicago, educated in Berlin, trained as a DJ in London and currently resides in Los Angeles. She has performed in London, Chicago, San Francisco, Los Angeles, and at Nashville Pride Festival 2021. She has a weekly electronic music radio show "Soundwerks" on Youtube. Mister Lady draws from a huge catalog of musical influences which find their way into her sets. Her most recent Techno single has been released on Mastoid Kollektive Records in Chicago. She also has two self released Techno EPs, two self released Techno singles, and more on the way in 2022. Currently, Mister Lady is a resident DJ at Allelujah, a quarterly underground Techno club night in London. She has opened as support for Ramiro Lopez, (Drumcode), and Stephan Jolk (Afterlife).
